Bin Rental Period, Changes to Schedule & Pricing

Standard 11 yard bin rental includes delivery & pick-up. Bin is weighed in & weighed out of the Landfill. Customer is charged for the Landfill cost plus the cost of the Bin Rental

Size of Bins are 14 Ft long x 6 Ft wide x 3.5 Ft high.

We rent bins for up to 7 days, if you need a bin longer than the 7 day period, we charge \$10.00 per day or \$50.00 per week.

If you are finished with the bin before the 7 days please let us know & we will schedule the bin for the earliest pick-up

If you would like to extend your date of pick-up, you must call 24 hours in advance to confirm the change.

FOR BIN PICK-UP – Doors must be shut tightly, the load is level & not above the sides of the bin, so tarp covers bin evenly & nothing is blocking the bin from being removed from the site – **this may result in your bin not being picked up & an extra fee may be charged for a second attempt**

Bin Placement

Our bins should be placed on a hard flat surface e.g., a concrete, asphalt or gravel driveway. Bins can be placed on grass or soft ground areas but will only be placed in areas if specifically advised to do so by the customer. **Any expenses related to damage incurred as a result of placing a bin on concrete, asphalt, gravel, grass or soft ground is solely the responsibility of the customer.**
